

COMPOSITES ASIA 2018
COMPOSITES IN
CONSTRUCTION
& ARCHITECTURE
3rd International composites conference
 Organized by **JEC GROUP** & 

July 18th, 2018 - Chatrium Hotel Riverside, Bangkok	
08:30-09:00	Registration
Morning Sessions	
	Thai Composites Association
	Danu Chotikapanich, President
09:00-09:10	Welcome Speech
	JEC Group
	Frederic REUX, Editor JEC Magazine
09:10- 09:20	Is Construction the most promising sector for composites?
	Affan Innovative Structures
	Dr. Amer Affan, CEO
09:20 - 10:00	Architectural project showcases in Composites
	Diab
	Todd Henry
10:00-10:30	Successful Composite Designs in Architecture and Civil projects
10:30-10:50	Coffee Break & Networking
	DBALP
	Duangrit Bunnag
10.50 - 11.30	Composites from Architect perspective
	Exel
	Mikko Lassila
11:30-12:00	Composites in future Smart Cities
12:00-13:20	Lunch Break & Networking
Afternoon Sessions	
	Premier Composite Technologies LLC
	Gabi Böhm, Principal Architect and Mark Hobbs
13:20-14:00	Large span and self-supportive advanced Composite structures
	Altus Group Inc.
	John M. Carson, Executive Director of AltusGroup, Inc
14:00-14:30	CFRP Enclosures using Precast Concrete – “The Ideal Wall” System Solution!
14:30-15:00	Coffee Break & Networking
	Saertex, Scottbader, Aditya, etc.
15:00-15:40	FST Panel discussion
	Axia Materials
	Justin Jin
15:40-16:10	Housing
	G12 Innovation
	Gilmar Lima
16:10-16:40	The Evolution of Constructive Systems in Composites
16:40-18:00	Networking & Exhibition
VIP Reception (by invitation only)	

July 19th, 2018 - Engineering Faculty, Chulalongkorn University	
08:30-09:00	Registration
	StrucTEAM
	Julien Sellier
09:00-09:30	Addressing the challenges of engineering composite civil structures
	Gurit
	Tony Stanton
9.30 - 10.00	Structural FRP composites in Architecture and Urban design
10:00-10:30	Coffee Break & Networking
	NONTRI Co.,Ltd.
	Thammachat Kulphrapha
10.30 - 11.00	Improving Structural Behavior of Concrete Buildings and Bridges Using CFRP
	Composite Cluster Singapore
	Dr. Florian Doetzer
11.00 - 11.30	Carbon Reinforced Concrete - Opportunities in construction and architecture
11:30-13:00	Lunch Break & Networking
Afternoon Sessions	
13:00 - 13:30	Demonstration - Carbon Concrete
13.30 - 14.00	Demonstration - FST (Fire, Smoke, Toxicity)
14:00-14:30	Coffee Break & Networking
